## APPLICANTS MAY APPLY FOR ONLY ONE AWARD USING THIS APPLICATION.

The purpose of the Bachelor of Science Nursing Scholarship and Loan Repayment Programs are to increase the number of registered nurses (RN) practicing in medically underserved areas of California.

Applications for the Bachelor of Science Nursing Scholarship and Loan Repayment Programs are accepted biannually. Monies awarded under this program are intended to pay or repay tuition, required fees, books, supplies, and educational equipment costs related to the applicant's registered nurse education. All awards are subject to the availability of funding.

## SELECTION CRITERIA

Selections for the Bachelor of Science Nursing Scholarship and Loan Repayment Programs are based solely on information contained in the application and supporting documentation. Selection for awards is based on the following criteria:

**Work Experience** - nursing and non-nursing work experience in a medically underserved area (MUA).

**Financial Need** - actual or potential difficulty in completing education in the absence of an award.

**Career Goals** - professional goals for the next five to ten years.

**Community Service** - documented volunteer service and/or activities, particularly in a MUA.

**Community Background** - family structure and community where you grew up; for example, rural, inner city/urban, suburban, or MUA.

**Academic Performance** - prior and current academic performance; potential for future academic success.

### Priority will be given to:

Individuals whose community background and commitment indicates the likelihood of long-term employment in a medically underserved area even after the service obligation has ended.

Awards are made on a competitive basis. Each part of the application must be completed. All supporting documentation must be submitted. Only complete applications will be evaluated. The Foundation will not notify individuals if their application is incomplete.
